

Children's Health

Information Night

All parents are invited to attend a children's health information night at the SHECLC on Wednesday November 29th at 7pm.

The following experts will attend to speak to parents about their children and to answer any questions you may have:

- Ms Susy Wilkin - Dental Hygienist
- Mr Timothy McKinnon - Optometrist
- Dr Geoff Sparkes & Dr Romit Saha-Chaudhury
- General Practitioners
- Richard Hart - Paediatrician

Parents are very welcome to bring friends, grandparents or other relatives – they do not have to have their own children at the Centre. To enable the presenters to have enough information packs, please RSVP by Monday 27/11, either at the Centre or by phoning Hayley on 4868 3210 (ah) or 0438 683 213
